FOR IMMEDIATE RELEASE

HARBOR FREEWAY (SR-110) Rosecrans Avenue On-ramp Closure

LOS ANGELES – The California Department of Transportation (Caltrans) advises motorists that construction to widen the turning radius of the Rosecrans Boulevard on-ramp to the northbound SR-110 has begun.

The work requires the complete restriction of large trucks due to the placement of concrete construction barriers, which are in place to protect workers. Large trucks may access the SR-110 using the El Segundo or Redondo Beach Boulevard on-ramps.

The on-ramp will be subject to intermittent closures daily, Monday through Friday from 9 a.m. to 1 p.m. and 7 p.m. to 6 a.m.

Closure signs are posted. The project is expected to complete October 2005.

Caltrans reminds motorists fines are doubled in work zones.
